To whom it may concern,

[Redacted]

see the reindeer on the 11<sup>th</sup> June 2025.

I have seen their housing enclosure, discussed their nutritional requirements and observed the reindeer in their pen. I am satisfied that the reindeer are in good health, and I have no general concerns. We have also discussed the transport protocols, which I am happy with.

If you require any other information, please don't hesitate to contact me.

Best wishes,

**Madeleine Tyson BVMSci MRCVS**

**Veterinary Surgeon**
